

CSHO Progression Notebook

Instructions: Tab 4 will contain your three best inspection reports (i.e., narratives, 1Bs) for any three report types listed above but none are to be “incompliance” inspection reports. *Health Compliance Officers must include at least one report that contains sampling.*

Tab 4 – Supervised Inspection Reports

- Unprogrammed inspection report
- Follow-up Inspection Report
- Special Emphasis Inspection Report
- Multi-Employer Inspection Report
- FAT/CAT Inspection Report
- Agriculture Safety and Health Inspection Report
