UPDATES

Consultative Services - Bruce Pearson

- Consultative has done 92 Initial visit and 7 Training/Assessment Visits
- Discussion with Paul about CS using NAICS Code list in SEP or covering all amputation hazard visits. Paul said for CS to use all NAICS Codes.

PSIM – Dennis Berwyn

- Karen Padgett is retiring, and they are currently interviewing new candidates.
- No updates.

ETTA – Todd Waller

- Reported that Joseph Davis broke his leg on 4-25-23 and he was filling in. He had nothing to report.

Compliance – Lee Peacock

- No updates but encouraged participants to continue with focus on Amputation SEP Inspections because of the proactive way we can identify hazards.

Compliance – Ted Hendrix

- Introduced a new CSHO, Mark Tulio to the committee.
- Reported on an amputation accident that is currently under investigation that involved a metal shear with an improperly adjusted hold down device.

Directors Office – Paul Sullivan (Assistant Deputy Commissioner)

- Discussed the issuance of the reviews 149A Amputation SEP
- Reviewed highlights from a letter that he sent to SC and Supervisors this morning. He covered the major changes and explained how the Appendix is laid out.
- Discussed change to Be Programmed General Scheduled Inspections – these are not to be coded as Amputation SEP inspections.

COMMENTS

- 72 Amputation SEP inspection conducted through March, which is 78% of the annual goal.
- Referrals - Referrals should be coded as Employer Reported
- George Calvery asked to share Amputation inspection information or photographs for any unique situations encountered during the next meeting.

CLOSING

Meeting closed at 10:44 AM by George Calvery. Upcoming meetings will be at 10:00 am on:

July 26, 2023

October 25, 2023
