Raleigh, North Carolina

Operational Procedure Notice 83A

Field Information System

Subject: Inspection Report Contents - Order of Inclusion

- A. ***Purpose:*** This OPN communicates the required order of documents included in a North Carolina Division of Occupational Safety and Health inspection report. This includes OSH forms and any other relevant information, whether provided by the employer, employees, or compiled by the compliance officer during the course of the investigation.
- B. ***Discussion :*** It is the primary goal of the Division to maintain consistency in all areas relating to the enforcement of the Occupational Safety and Health Act of North Carolina. In an effort to foster consistency in forms completion and inspection report compilation, it is the policy of the OSH Division that all compliance inspection reports be compiled following a standard inspection report order.
- C. ***Action:*** Supervisors will assure that all OSH Compliance personnel adhere to the attached *Inspection Report Contents - Order of Inclusion* is adhered to by all OSH Compliance personnel. The OPN revises and replaces OPN 83. It is effective on the day it is signed and will remain in effect until revised or canceled.
